

Correlation to the Common Career Technical Core (CCTC)

Find out which Econ Essentials resources align with the [Common Career Technical Core](#) (CCTC) from the National Association of State Directors of Career Technical Education Consortium/National Career Technical Education Foundation (2012).

	Econ Essentials Resources			
	Self-Paced Modules	Behavioral Economics Lessons	Videos	Hot-Topic Activities
Agriculture, Food & Natural Resources Career Cluster® (AG)				
1. Analyze how issues, trends, technologies and public policies impact systems in the Agriculture, Food & Natural Resources Career Cluster.	Facts about Foods		The Impact of Supply Chain Disruption Why the U.S. Needs a New Generation of Farmers How Algae Could Change the Fossil Fuel Industry	Rapid Response Supply Chain Disruption
2. Evaluate the nature and scope of the Agriculture, Food & Natural Resources Career Cluster and the role agriculture, food and natural resources (AFNR) play in society and the economy.	Facts about Foods		Why the U.S. Needs a New Generation of Farmers	
4. Demonstrate stewardship of natural resources in AFNR activities.			How Algae Could Change the Fossil Fuel Industry	
5. Describe career opportunities and means to achieve those opportunities in each of the Agriculture, Food & Natural Resources Career Pathways.			Why the U.S. Needs a New Generation of Farmers	
6. Analyze the interaction among ANFR systems in the production, processing and management of food, fiber and fuel and sustainable use of natural resources.	Facts about Foods		Why the U.S. Needs a New Generation of Farmers How Algae Could Change the Fossil Fuel Industry	

Agribusiness Systems Career Pathway (AG-BIZ)				
1. Apply management planning principles in AFNR business enterprises.			The Impact of Supply Chain Disruption	Rapid Response Supply Chain Disruption
Animal Systems Career Pathway (AG-ANI)				
1. Analyze historic and current trends impacting the animal systems industry.	Facts about Foods		Why the U.S. Needs a New Generation of Farmers	
Natural Resources Systems Career Pathway (AG-NR)				
2. Analyze interrelationships between natural resources and humans needed to manage natural resource systems.			Why the U.S. Needs a New Generation of Farmers How Algae Could Change the Fossil Fuel Industry	
Transportation, Distribution & Logistics Career Cluster® (TD)				
1. Describe the nature and scope of the Transportation, Distribution & Logistics Career Cluster and the role of transportation, distribution and logistics in society and the economy.			The Impact of Supply Chain Disruption	Supply Chain Disruption
6. Describe career opportunities and means to achieve those opportunities in each of the Transportation, Distribution & Logistics Career Pathways.			The Impact of Supply Chain Disruption	Supply Chain Disruption
Warehousing & Distribution Center Operations Career Pathway (TD-WAR)				
2. Describe ways to improve the performance of warehouse and distribution operations.			The Impact of Supply Chain Disruption	Supply Chain Disruption
